## ***Nativity Festival 2017***

The Nativity Festival will include cribs, pictures, models and you are invited to visit and see the many exhibits depicting the Christmas Story.

Over 40 nativity sets from all over the world were displayed last year, worked in a variety of mediums – some homemade, some more sophisticated: wood, paper, straw, bamboo, knitted and 3D were all represented.

We are hoping for over 100 exhibits this time.

**The Festival will be open for visitors on  
Thursday 14<sup>th</sup> December from 10.00am – 5.00pm,  
Friday 15<sup>th</sup> December from 10.00am to 7.00pm  
and Saturday 16<sup>th</sup> December from 9.00am – 1.00pm.**

**Light refreshments will be available during the Festival  
and there will be a variety of musical interludes.**
